“ I am so sorry for your loss, sorry for all of us because Gavin was such a character and so full of life! He was a student in two of my classes last year and I can still see and hear him when I walk into the room. His classmates shared thoughts with me like, "I will always remember his strong spirit and great sense of humor. He was a joy to have as a classmate and I hope his family finds peace. Very happy person with a great outlook on life" and "He was a good classmate. Always smiling when I looked at him." Our condolences and love!

“ Gavin continues to be a loving and kind soul. I still smile when I see his part in the Shepherd video "The Fighter." Such joy all over his face. I am a better person because of Gavin. I will continue to keep your family in mind, heart and prayer....and that goes for you, too sweet Gavin
