“ My name is Mary K. Houston and I just recently retired from the Rowan-Salisbury School System. I hired Gayle as a Substitute Teacher. She was the most dedicated and caring Substitute I have ever worked with. She always lifted my spirit whenever she would visit the office on several occasions. She will truly be missed.

“ Gayle and I were next door neighbors from the time we were six years old until we left for college. Gayle's intelligence shone like a beacon. Her kindness and love of her family were steadfast. Gayle faced the challenges in her life with honesty and strength. During the last few years we ran into each other frequently at the library (a place we both loved), We would sit down and catch up on our lives, families and memories. I am thankful for each of those visits we shared and I am thankful to have had Gayle in my life.
