Dear George and Nancy,

We have never had the pleasure of meeting but my family knew and loved Joey for many years. We are so very sorry for your loss.

Joey was a dear friend to my step-son, Chris Pinkston. We lost Chris in 2017 to leukemia. You will be in my thoughts and prayers.

Love, Betty Pinkston

“ *I am just finding out about this and can't believe it. When I was at Wachovia/Wells we would message back and forth all the time. He had the best sense of humor, and definitely one of a kind laugh. My thoughts and prayers to his friends and family.*

“ George and Nancy- I am so very sorry to hear about the passing of your son Joey. It is such a terrible tragedy to have to experience the death of one of your children. Although I didn't know him, I imagined just how wonderful he must have been in the loving home I know you both provided. I made a small donation to the Allie Cats in honor of his memory. Much love, Jean Gasen

“ I have known Joey through Derek for over 2 years. He was always kind and courteous to me. I like the way he interjected my name into a sentence to direct some information toward me. Joey was FUN! He could keep the conversation going and knew a lot about sports and music. We gently jabbed each other about the Duke-UNC rivalry and bonded over our love for 80s hair bands. He was the most social butterfly I have ever known. I hope his family is comforted to know that Joey is loved by old and new friends alike. Rock On, Joey! Thanks for the friendship and memories❤️ Laura

“ I just met Joey in April 2023 at work. Immediately I related to him and our equivalent years of service at the company and the fact that neither of us knew a stranger. He was funny, friendly, and quick and anyone that met him felt an instant connection. He leaves a big void in my work family. Rest in peace Joey and I pray that as soon as possible for the family and friends that the tears are replaced with laughter and smiles as that is what Joey brought to those that knew him.

“ *I will always remember and cherish the yearly beach trips to Atlantic Beach as a child with the White Family. Playing ping pong, swinging in the hammock, music and Joeys dad teaching me, my brother, and Joey to body surf. My memories of vacation with the Whites and my friendship with Joey are top 5 of my childhood memories. I'm so sad for the White family and wish them peace in this time of sorrow. God bless the White Family and rest in peace Joey.* ”

“ *Joey aimed to please me and was my first DJ on New Years Eve at Eric's house! We've been on the boat together. I was supposed to go to the Matchbox 20 concert with him included in a group of us yet the last time I saw him was at Michael Kemper's birthday party. Throughout his journeys around the sun and all the places he's "checked into" he'd send me messages at the wee hours of the morning as he was a bit of what I am ...a night rider! He was such a gentleman and a genuine guy. I think he was trying to find a special girl to share life with yet it will always be his mom now. I am uplifting prayers of peace in your hearts and wrapping my arms around you all in unity as a family and to those very, very, very special friends whom shared his life story with. 📖👉👈👉👈* ”

Condolences and deepest sympathies to the family and friends of Joey. Joey always had the biggest smile and what's up guys every time we saw him. Joey and I chatted about concerts, work, Vegas and most recently he was telling us what a wonderful time he had at the beach with family and especially his nephew. We are all so very sad that such a bright light was taken from us so suddenly.
