“ I have so many memories of my brother George. One time, my mom walked down to the school to vote and left me home with George and my brother Deb to take care of me because I was ill and feverish. When she came home she found me in the back yard in their tent putting wet cloths on my head. That's how Loving and Caring he has always been to me.

I will always love you and miss you so much.

“ *My brother George always smiling love to play tricks on everyone. When I was a teenager and I would beg my mom to let me stay home from church on a Wed. Evening so I could watch my favorite show,my ornery brother would get a chair and put it in front of the TV and tie me up so he could watch his favorite show and just laugh and when my mom came home from church and I told her she just smiled. George was a dandy but I was never so glad to see anyone then the day he came home from Vietnam. Always love you and miss you. Your sister, Judy*
