

Glenda Lois Spainhour

June 10, 1956 - August 1, 2024

Glenda Lois Bradford Spainhour, 68, of Cleveland went to be with her Lord and Savior, on August 1, 2024, at Novant Health/ Rowan Medical Center. She was born June 10, 1956, in Yancey County, the daughter of the late Theo Bolton Bradford and the late Jessie Mae Edwards Bradford. Glenda was retired from Freightliner. She was a faithful loving wife, mother, and grandmother that enjoyed working in the yard with her flowers, finding a great deal at yard sales and fishing trips to the beach with her husband.

Glenda was Donny's queen and anyone who knew them knew just that. They were best friends, fishing buddies and the beat to each other's hearts. Donny put her on a pedestal and was truly by her side every minute of every hour, every step of the way. Their love is what every little girl dreams of and her sons and daughter-in-law would like to thank and recognize him for that.

In addition to her parents, she was preceded in death by her brothers, Harry Bradford and Johnny Bradford, sister, Kay McCurry.

Those left to cherish her memory are her husband of 34 years, Donny Spainhour, sons Daniel Spainhour and Derek Kimbrough (Nina) both of Cleveland, Mother-In-Law, Linda Headley of Salisbury, brother, Larry Bradford (Doris) of Mt. Ulla, sisters, Susan Zimmerman (Mike) of Cleveland and Judy Bennett of Salisbury, grandchildren, Isous McPherson (Taylor) of Mooresville, Caleb Kimbrough, Ali Kimbrough, great-grandchild, Owen McPherson and numerous nieces and nephews.

To honor Glenda's wishes there will be no Memorial Services.

Online condolences may be left at www.summesettfuneralhome.com.
Summersett Funeral Home is serving the Spainhour family.

“ so glad I got to know you. We have had some good times over the
years. Beach trip. Coastal fishing in the outer Banks. You were
always fun to be with. Driving around and looking at flowers. We did
stop and toured a lady’s yard. We were gifted flowers from her. I
don’t think any of mine lived. But it was fun. Fly high friend. See ya
soon.

“ There’s too many memories to share so I decided to share some of favorite pictures from those memories. My aunt Glenda was truly one of a kind and I’m so thankful to have had the opportunity to know her as a grown up and a friend as well as being her niece, she taught me a lot growing up although I never told her as much, she probably knows though, she’s got that gift. We’ll miss you so much auntie! XOXOXOXO ❤️❤️❤️ Karen and Family

“ I worked with Glenda at fiber, I came on the scene in 1992 and we had so much fun together at work and outside of work, took a beach trip with about 10 of us and had so much fun, so much so I didn't want to leave.....lol , but she left Fiber and went to Freightliner and I didn't see her as much but always kept in touch, she definitely loved her family and i surely enjoyed the great photos she'd share in fb, i love that girl and going to miss her, Glenda your not in pain anymore and you are with our lord and your family and friends that you lost, so I'll pray that God keeps his hands on your family and RIP girl, I'll see you again in heaven 🙏🙏

“ I still can't believe you're gone. 💔
I miss you so much!! Even though I didn't see you everyday but just knowing you were down the road and a phone call way I took that for granted. Now you're gone 💔💔💔
All I have now are the precious memories and for that I am grateful. You brought so much joy to everyone around you.
Our trips to the beach , to the mountains, or thrift stores we had so much fun. I remember a couple classics where we laughed so much that even at this moment I'm laughing . The crab catch in Donnie's grandpa's cage. And That time we were in a restaurant you ,me, Denise, Tracy, and Jennifer by the time we left we had everyone in tears laughing along with us and they didn't even know what they were laughing about and even thanked us for a good laugh.
Ohh the stories we could tell.
I love you so much and I miss you so.
Unbelievable how short life is Our loved ones are gone way too soon. Heaven just gets sweeter and sweeter. I'm thankful for the blessed assurance that I'll see you all again one day. What a happy reunion that'll be ❤️❤️❤️
I love you my Auntie Glenda you can rest now.
You'll forever hold a special place in my heart.
