“ Our heartfelt condolences go out to the family & friends of Greg..Although I have known his brothers & sisters for many years, it was my pleasure to get to know Greg as I tagged along behind him while he surveyed on our farm..Even though I didn't learn a lot about surveying, I did learn how devoted he was to Tweena, Matt, & Austin...I had followed Matt through his athletics & my son, Shea, is friends with Austin & mentions him often..Greg will be missed & our thoughts & prayers go out to each member of his family..He left many footprints both on the land he surveyed & in the friendships he left along the way..

*God Bless*

“*Greg and Jill were my first friends after moving to North Carolina. I remember his green mini bike. He would ride it around his back yard over and over and over. Jill and I were not allowed to touch it....we were "girls". I remember his kindness, always there to lend a hand if needed. He was a gentle spirit....even as a young boy. Tweena you were the love of his life! His eyes lite up when you walked in the room. I'm so sorry for your loss, and thank God for the years you had together. You, Jill and all the Moore family are in my heart and prayers. May you feel God's arms wrapped around you as you go through this time.*
