“ Greg had a great laugh- loud and clear on the soundtrack of my life and in my memory! He once saved my life. As Boy Scouts hiking in NM, we were chased by a bear and Greg led me out of the woods. We shared our first beers (Genesee) in Canandaigua and enjoyed road trips together. A trip to FL in Greg's '62 MGA stands out. He loved that car! My sincere condolences to Zach and Phil. May Greg rest in peace. Vinny Barone

“ To Zachery and Phil. I can't find the words to tell you how sorry I am that Greg is gone. Greg ,or "The Zog" as we affectionately called him for many years will be sorely missed .We had been friends since grade school and shared so many good times and laughs together. I can't count how many adventures that we had growing up but it's a miracle that we survived. I wouldn't change a minute of it if I could. He was always fun to be with and he really seemed to enjoy life. He had his trademark laugh that I will never forget. It's hard to put into words to adequately describe it but nobody had a laugh like his, particularly if something was hilarious. It was kind of like a cross between a cackle and a machine gun. It was pretty infectious too once he got going. Even after he moved south we remained connected. He would always call me on my birthday and I always looked forward to that. His was always the first Christmas card that I would receive every year. Greg loved to send them out before anyone else, so the Christmas season always started early in my house every year thanks to Greg. I'm very grateful and privileged to have had Greg as a loyal and trusted friend for more than 50 years. There will never be another "Zog". Rest in peace my friend. I miss you. Rodger Haley

*This is about time. Mis más sentidas condolencias. From Frank Piersol formerly of Rochester. NY. and now in Brooklyn, NY. The Zog was one of the gang that used to hang out together... Vinny Barone, "Jack" Haley, Ron "Zoey" Zwick, Daniel Arms Case... and I believe David "Purple Tip" Beckwith used to hang out too...*
