“ *Dear Cecilia and Family,*

It is with great sadness for each of you that I share to learn that Roy had left this life for his heavenly home with JESUS. You both have been in my thoughts and prayers for some time now. Dan and I have had our own set of trials and tribulations to go thru. I know that losing someone is the most difficult of trials that you will endure. Just know that you will continue to be in my prayers. If you need me please call I send my love and heartfelt sympathy to you and hope that you will each lean on JESUS for your comfort and strength.
