“ There are no words I can express to let you know how sorry we are at the loss of Harriet. I have fondly remembered the times we all had at the ball games and just hanging out, having fun. We always had fun with Harriet. She was truly a blessing to be around. We are sad, but the angels are singing. My heart goes out to you Steve and Jesse, because these times will be difficult for you, but let your memories help you through this as you remember what a truly amazing person she was. My life will be forever blessed, just from knowing her. Our love and prayers are with you both!
