“ *Its been about 8 months since you left, and these months have been ruff and i just wish you were here nobodies been the same since you past away. I just wish you could have been their for the holidays because their not the same without you. It hurts that i can't see you or hug you anymore. Why did you leave me when i needed you i know u in a better place now but it hurts i need you here to make everything right. I love you and i miss you more than anything you was my idol my hero i hope you know that ❤️ I hope i can make it this year it seems like every things leaving now.*
