“ *Dear Cousins,
Jean Lefler just called to let us know of Aunt Hazel's death; thank you so much, Barbara, for letting us know of her Birthday so we could send cards. That is the last opportunity we had to remember and recognize her importance to our lives. May you all be blessed by the memory of a lady who always seemed to be so strong and very resilient to us.*

We would love to see y'all sometime; please maintain contact so we can get to know all the children & grandchildren, most of whom we have never met.

Love from,
