“ Ms. Shuping was one of my patients when I was the phlebotomist at Mid-Carolina Cardiology. She was one of my favorites. She was kind, considerate and so very interesting. Any time I hear about OSS now (or even CIA), I always think of her. I have been gone from the office for four years now and I miss her still. Such a gracious lady. She added so much to my life. Thank you Ms. Shuping for being such a wonderful person.
