“ *Jo Anne, the last several months have been such a struggle for you and especially for Heather. The courage and strength it took just to get through the days and the fight to stay hopeful had to be exhaustive. And while you knew this day might come, the loss is still unimaginable and always too soon. A mother should never have to lose a child. I love you, my sweet friend, as do all your friends in our group. We are all heartbroken for you and for all the family Please let us know how we can help. ~Judy*
