“ Sorry for your loss, but be positive that the Angels are singing with her now. She is happy and healthy and holding J.W.'s hand walking to the river. She was beautiful inside and out, and she was always soft spoken, kind hearted and will be missed everyday.

“ Aunt Doodle...thank you for always thinking about our family. During my childhood, you always brought canned and fresh-grown vegetables to our house. I cannot say how much that I appreciated the clothes that you gave me. You will always be loved and remembered as a caring and loving aunt. Thank you and bless you.
