“ *To the Family of Herbert Elrod, Jr.*

*This is a very sad time for those who knew and loved Herbert. When we lose a loved one, it leads a void in our lives because that person was either a dearly beloved member of the family or friend. It was not God's original purpose for us to have to be separated from that person but to live forever enjoying their company in pleasant surroundings right here on this earth. But because our first parents did not appreciate their Creator enough to obey him, they threw away that opportunity to live in that paradise. But not so for us. Jehovah God in his infinite wisdom has made arrangements through his Son Christ Jesus to redeem mankind. (John 3:16) That is why it is so important to pray for God's Kingdom to come and that God's will be done on Earth as it is being done in Heaven. (Matt 6:9, 10) Then we will see our dead loved ones come back in the resurrection (John 5:28,29) for Jesus did not die in vain but his death provides the ransom to redeem mankind from the grave. May these scriptures give you comfort in your time of grief. (Rev 21:3-5)##imported-begin##Linda Harrison##imported-end##*

“ I will have to say that Harris was one of the most positive and kind person that I have ever worked with. Harris worked for ryder while I drove a truck for ffm and also he did work on our trailers at ace hardware. It was always a smile, a laugh, and a friendly spirit when I came into contact with Harris. The world needs more of him these days. May God bless the family through these difficult times. In Christ love. Greg Mccubbins.##imported-begin##greg mccubbins##imported-end##
