Mom, I sure do miss you, but I know you are safe in the arms of Jesus. You were very much loved by family, friends, and a special staff of people who run and work at Trinity Oaks. I saw their sorrow and love as they took care of you this past week. They made sure you were comfortable at all times and many shed tears. You touched many hearts and lives over the years and helped to make me the woman I am today. Thank you Mama for the gift of life you gave to your children, the love you gave us and values of importance you taught us. I will miss you so much, but I rejoice, that you feel no more pain or sorrow. I am trying to imagine what you felt when you saw the Saviors face . I am sure you are still in awe of the beauty that surrounds you. I know you were with the Angels during your journey home and I know many were at the gate waiting on you, with Dad being out front to greet you with the Lord Jesus.

Thanks to all for condolences, prayers, words of comfort and a special thanks to Trinity Oaks. Angels of mercy work there.

Special thanks also to the staff at Summerset for making Mom look so beautiful and to my best friend Betty for fixing her hair so pretty.

I love you Betty. Sorry you cant be at the Celebration, good luck on your test. I pray the results will be favorable.

Hi Ann, just learned of your mom's passing when Neal passed. I like what you wrote. May God bless and keep you.
