“ Don, Trudy, Brian and families
So sorry to hear about your mom. I have wonderful memories of spending time with you in the summer and all the fun, crazy times we had.
I remember Irene making donuts from canned biscuits with a powered sugar glaze. I thought they were amazing, and probably ate too many!
She always had a big smile and a giving heart.
Love and peace,
Freida

“ *Dear Don, Trudy, Brian and families*

So sorry to hear about your mom. I have wonderful memories of visiting you in the summer and all the crazy fun we had.

I remember Irene used to make donuts from canned biscuits, and would put a powdered sugar glaze on them. I thought they were amazing, and probably ate way too many than I should!

She always had a wonderful smile and a giving nature.

Peace and love

“ To the family: Our deepest sympathy goes to the entire family. We were next door neighbors with Bill and Irene for about 17 years. She was always such a pleasure to be around and I know she will be greatly missed. Our thoughts and prayers are with you during this most difficult time.

“ She always thought of others; Sharing her joy by baking thousands of Christmas cookies and decorations for all her family and loved ones. I didn't know her well but through my children, I know she was so loving, giving and kind. Now she is with her Lord and Savior. I know she will be terribly missed!
