“ If you ever wanted to see a great example of a great person, you never needed to look any further than my dad. I am proud to say that Jack Gullett is my earthly dad. I will always miss him ,but will never forget him. I am so glad all his pain is gone for every and he is now in a much better place now. He gave the best example of how a dad should be and also how to be loving husband. I only hope I can be half the man that he was.
