“ *My parents have been friends with Jacky and Vickie longer than I've been alive, and I was always welcomed at their house as one of their kids. Some of my best childhood memories were spent at there laughing and enjoying each other's company. Sending love to the family. Jacky will be dearly missed.*

“ As a boy, I was enamored by Jacky. He was my older cousin. He was very different than anyone else in my world. I remember he would come riding up in one of his railbuggies at family get togethers, accompanied by controversy! He was truly a free spirit with his "live and let live" demeanor. As a child, I perceived that adults were somewhat puzzled by him. I wanted to look, and be like him with his long hair ,rough exterior and cool cars. Later, as a young teenager, I started hanging out with him and gleaned so much mechanical knowledge from him. I met his wife Vickie and she is wonderful! Vickie changed his life for the better in so many ways. She is truly a jewel! Jacky has helped me and others numerous times over the years with car problems, etc. I still remember all the cars he had over at Sunset Drive. We listened to music together and did a few really crazy things together! One time, we took my old Bronco through the woods behind his house late at night and really tore that truck up! Ha ha! We laughed so hard we were in pain! Perhaps, him and I were kindred spirits, because he was very outspoken and would say exactly what he was thinking. You never needed to wonder where he stood on any given issue. He will not be remembered as someone who kept his mouth shut! Oftentimes he would say what everyone else was afraid to say, and for that, I love him! Yes, as a child I wanted to be just like him and by the Grace of God, I hope that I am! God Bless you cousin Jacky! Rest in Peace my friend! You will never be forgotten
