“ *Darrell had a sweet soul that was awesome to be around. I will never forget moving back into Salisbury after being away in the Military and various career endeavors. Darrell always acted like we were still best friends at West where we went to high school. I also had the pleasure of working with him at the VA medical center here in Salisbury. This awesome soulful man will be missed. May God be with his family and friends.*

“ I've been working for the W.G. Bill Hefner VA Medical Center for 15 years in March and Darrell was one of the first people that I met. He was the most helpful, kindest, gentlest, and sweetest man that I have ever known. He always had a kind word to say and always greeted you with a smile. No matter where I saw Darrell inside the VA or outside he always remained the same. He will be sadly missed. My condolences to his family and his friends.

“ I've known Darrell a long time from working at the VA. He was such a nice guy and always so friendly. I had a lot of laughs with him. I've missed him at the VA. I'm so sorry his health failed him and he didn't get to enjoy his retirement. One of your VA buddies.

Darrell was the kind of person that was everybody's friend. I remember being away from the Salisbury area for over 30 years both in the military and other career endeavors. Darrell acted like it was no problem and was my friend just like he had been at West still in school. I had the pleasure of working at the VA Medical Center in Salisbury with this wonderful soul. Darrell was that kind of sweet soul you always like being around. I'm proud to say most of my friends are Darrell's friends. May God be with his family in this time of loss. God just got a wonderful angel of a man.

I worked with Darrell for 12 years at the V.A. in the SPS department. He was one of the nicest people I have ever met. When I would go back to the VA for my treatments after I became disabled and could no longer work I would always look for Darrell to talk with. We ran into each other often outside of the VA. Darrell was a great young man. I will miss him. May Gods love comfort his family.

My name is Jose B Castillo I worked with Darrell for about 3 years at the department of veterans affairs in Salisbury. He was one of the most coolest down to earth funniest goofiest guy I ever met. He had a great heart always smiling always joking around. When he wasn't at work it was a boring day he will be missed. Shalom to his family and I pray that Yahweh may give them peace in their hearts in time and heal their wounds from their loss. May his family be covered and the blood of the Messiah Yeshua. May Yahweh grace and mercy always follow them where were they may go. Rest in peace you old goat. 🙏🙏🙏🙏🙏

Daryl my good friend, you will be sorely missed. I could always go to you for answering my questions and getting a good joke afterwards. Most of the jokes that I know actually came from you over the course of the 12 years that I've known you. God bless you and may you rest in peace.
