“ My thoughts and prayers are with each of my cousins as you mourn the loss of your father. It was my honor to be here for Steve over the past years as we worked together to pursue his justly deserved veterans benefits based on his honorable service in Vietnam. I spent quite a bit of time with him, listening as he tried to work through the many difficulties that he encountered in life. I know that you were all on his heart and mind during those conversations. Please know that you are not alone in this walk of life and that there are many people out here who care for you all!

“ Thought a lot about him, our whole church did. Cornerstone won't be the same without him greeting everyone with a warm smile. I know he is in a better place, we will miss him. God bless his family!

“ Steve always greeted folks as they arrived to church at Cornerstone Baptist. He often had a kind word and funny story. I was always warmly greeted at Thelma's by him also when I stopped to see some of my Veteran friends. He genuinely cared about Veterans and their rights and needs. I know that he heard about Jesus at Cornerstone Baptist. Please accept my condolences...Steve will be greatly missed. Love in Christ, Renee Gray
