“ I first met Jimmy at List's poolhall back in the early 70's when I was probably 13 or 14. I always thought he was so cute and cool. He joked around all the time and I always thought he looked out for us youngins'. We all thought we were so cool hanging out at the poolhall with the older crowd. I'm so sorry of his passing. My condolences to his family & friends! May he rest in peace.
