“ I've known James for at least 25-30 years and been friends that long. A very fine person, always upfront and honest. On top of that he was quite a car guy, and loved building Model Cars. Very dedicated to his family and will be especially missed by his brother Allen. He will be missed by all of us.

“ I remember the first time I met Jim, it was Christmas at Alan's. He made me feel like part of the family like everyone did. I cover the family in prayer. Darlene

“ So sorry to hear about Jimmy. I know that he will be missed. I will keep prayers in for the whole family. I didn't spend much time with Jimmy, but remember going to Grandma Hilton's and spending the night with her and playing with Linda, Jimmy ,Alan and Martha ( still a baby and Brenda not yet born). Jimmy was always the mischievous one, always picking on us. That was some fun days. Sad that he is gone but we will always have the memories. Thinking of you all.
