“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed it is my hope your family will find it comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever. " It is my hope your family will find strength to endure during the days ahead.

“ Words cannot express the sympathy I feel for you loss. He was in my North Rowan High School class...I remember he had such a fun personality, and that white blonde hair. I saw a very quiet person, but he was also funny. He always gave me a smile. I remember he was nicknamed, "Buzzy"....I have no idea why, but that is who he was to me....he will be missed. Again, I am so very sorry for you loss.

“ I worked with Buzz at the Spencer store. He was a pleasant man and would make anybody laugh. When he was closing at night especially on the weekends my husband would go back there to the meat dept. and they would talk and talk. He really enjoyed that and picking with both my sons about their cars. He was always ready to go to the beach, whenever I took my vacation back in Nov. he said that he wanted to go, I said well come on. I am really going to miss him and his jokes and laughs. You my friend is an angel among us now in the skies.

“ *Losing someone we love is nothing easy, but knowing that we have been able to be a part of ones' life is amazing. I do realize that I have been blessed to have been able to make memories with "Buzz" during his short life with us, and before he went to golf in heaven; and visit with our other friends. I'm sure Buzz & Cut have are already played at least 18 rounds... until we meet again. xoxo*

*My true condolences are with the family!
