“ Prayers and deepest sympathy at this very trying time. Jack (what we called Jim in High School) is in my memories as one of best three High School friends. We spent a lot of time together then. Every week we watch Andy Griffith together. We would pool our resources to get enough money to drag Salisbury in his Dad's Corvair. Of course John Martin and myself, driving him to Charlotte to catch his flight to Vietnam. John and I had already served out tour and returned. We had a lot to tell him on the way. He will be with us forever as I know with you. God Bless all.
