“ Dear Jammie, I know you are in heaven and know your watching over me and the boys. I was thinking about you this morning and I know it wasn't a coincidence that the song you played for me at our wedding(Savage Garden-"I know I loved you before I met you")began to play on the way home from dropping Landen off at Mrs. Sandra's. I appreciated that and it reminded me of a very special moment that we shared not so long ago.

I'm going to make sure your memory with me, the boys, and family and friends goes on forever. I'm going to take care of the boys and I know you would be proud of me. I'm nervous and scared of our future, but I know you will always be there to guide me in your own special way .

I hope you are proud of the arrangements we made for you at your funeral today. It's beautiful like you, in my eyes and your mother and father's too. I didn't bring the boys, they don't quite understand yet I think. They love you and I know they always will. I hope you finally see how many people did really love you. Maybe you always knew, I guess I will never know until I get to meet you again.

Take care, Love always, your loving husband, friend, and your "rock", Derek.##imported-begin##Derek Bost##imported-end##
