“ *Mamaw Jan was loved by so many which also makes it even more painful to let go. I don't even have language to express just how much she meant to me.*

*It's nearly impossible for me to count all the reasons why/how I am going to miss her. She simply made my life and those around her a little lighter, brighter, and as if you were strong enough to conquer whatever the day brought your way.*

*And while I know the days, weeks, months and even years ahead will be difficult at times, I choose to give each tear and every ache in my heart to my Lord and Savior Jesus Christ. Only He can soothe my heart and heal my soul.*

*So for now, I'll continue holding onto that glimmer of peace and comfort, knowing I will be reunited with her again some day in Heaven. And until that glorious day arrives, I'll continue to live each day in her honor, while eagerly awaiting the day when I can wrap my arms around her and never, ever have to let go. Until we meet again my sweet mamaw Jan... 🥺🙏💖🌟🦋*
