“ I am so sorry to hear of Jane's death. In ways I feel as if I know her but I don't. I know some people that are related to her including me way on down the line. One time my father was in the hospital and he recognized her by her eyes. She has eyes just like her mother. May God bless all of you now and in coming days ahead. May God bless you with Love, Strenght and Hope.
Brenda Elaine Mahaley (daughter of William White Mahaley).

“ I meet Mrs. Jane and was greeting with love and hugs. I haven't known her long but loved her dearly. Such a sweet lady who loved her dogs. When she say me I was her sweet girl. She will be missed. But she is now with the Lord rejoicing and in no more pain. Mrs. Jane you will be missed dearly but still loved just as much.

“ Jane & I met through out fathers who worked @ the post office. We hit it off & had sleepovers. We lost contact through school but reconnected when she came to work @ Southern Bell. Recently, the “old” cordboard operators began meeting for lunch & she joined us. What a joy Jane was & I am glad to have had the privilege to know her. RIP dear Jane!

“ *Jane was my bus driver through high school. I confess I was always a little in love with her. (Some of us didn't have a car during high school) Driving a bus, wow. She was so courteous, kind, and such a beautiful person. Nothing but great memories. Sorry the dementia was so cruel. No one deserves that. Our prayers are with you all. Ed and Jane Ellis*

“ So many memories run through my mind. Jane was my childhood friend and we spent so many afternoons together after school. She was my Matron of Honor in our wedding and she and I have spent many lunches together over the last 11 years. I will miss her forever but so happy she is free again. I will you again one day Jane.
