“ It saddens me to see that Jane had passed away, she was a sweet, cheerful lady. I'm sorry I haven't kept up with her over the years. My dad worked with Cora Lee at Quality Oil, I lived at Wellington Hill and was neighbors of your grandparents. I thought a lot of them and Jane. I hope you find peace and comfort in the memories you have of your mom.

“ I've taken care of her for over a year. She helped me pick out baby names when I found out I was pregnant. I talked to her about a lot of stuff. She gave me a lot of advice. I hate this happened we will all miss her so much. Prayers to the family!

“ Mom and I have been there for over 52 years. She has been my rock and there for advice day or night. Mom fought hard to save me as her 2nd born. Many trips to the Emergency room growing up in Salisbury. She could cook really well as her late mother and father taught her. Mom was just that even when I was a state away. Mom's spirit was in heaven as soon as she passed but still the loss of a parent is and should be hard. I have continued to almost dial her number and or await her phone call daily. She will always be missed and loved. I love you mom!

“ Mom was my best friend. I've always been able to pick up the phone in the morning after dropping off the kids from school to start off our day with conversation or end the day with a phone call to talk about how our day went. Mom would go on vacations with us, spend the weekends with us, or as she got older my family would go see her and sit with her on the porch of Trinity Oaks. She loved her friends and her family. She loved being outside, her pets, playing Bingo, crafting, and art. When Mom passed, she took a piece of me with her but I have to remind myself that she left a piece of herself with me as well. All these memories will remain in my mind and heart. I will miss my our phone calls and visits. I will miss her hugs, kisses, and smiles. I will miss my kids being able to see their maw maw. I love you mama.
