

## Janet Anne Davis Jeter

June 18, 1956 - February 9, 2026

Janet Anne Davis Jeter joined her husband, Vernon Jeter, in heaven on February 9, 2026. Unabashedly an extrovert, Janet never met a stranger and treated everyone like a cherished friend. Her outgoing and joyous personality was matched only by the depth of her Christian faith.

Born June 18, 1956, in Salisbury, NC, she was the daughter of Robert Monroe Davis, Sr. and Mary Anne Austin Davis. She was a member of First Baptist Church of Salisbury and was an alumna of Salisbury High School and NC State University. She later met and married the love of her life, Vernon, and had a beautiful daughter, Victoria.

She is survived by her daughter, Victoria Austin Jeter Mauney; son-in-law, Josh Mauney; siblings, James Davis, Jonathan and Lynette Davis, Jennifer Davis Hammond and Eric Hammond, Chris and Jackie Crane, and Robert Davis, Jr.; mother-in-law, Martha Jeter; sister-in-law, Melicent Jeter; nephews, James "Jimbo" Davis (Erika), Josh Drye, JD Davis (Emma Grace), Josh Davis (Lindsey), Gray Davis, Jachin Davis, and Bryant Davis; and nieces, Jordan-Leigh Davis Frank (Ashton), Mary Drye Alkanani (Aimon), Lauren Davis Sibrava (Zach), Janet Hammond, and Madelynn Castor.

Her celebration of life service will be held at the First Baptist Church of Salisbury on Saturday, February 14, 2026, at 1pm. A visitation will be held

prior to the funeral service at First Baptist Church from 12pm to 1pm.  
Immediately following the service will be a committal at Rowan Memorial Park.

Memorials may be sent to the First Baptist Church of Salisbury, 223 North  
Fulton Street, Salisbury, NC 28144.

Summersett Funeral Home is serving the Jeter family. Online condolences  
may be made at [www.summersettfuneralhome.com](http://www.summersettfuneralhome.com).

“ I was lucky enough to work with Janet during my first few years at the City. She was caring and patient as she walked me through the accounting process and explained the bigger picture of our group's finances. I used to joke with her that I was earning an MBA from all our meetings. I enjoyed bumping into her for whatever the reason-- she was always so pleasant and I don't think ever let her stress show. Probably the most obscure story I recall is her love of her minivan because it had captain's chairs in the back. :) She will be greatly missed.

“ I worked with Janet at the City of Charlotte for several years and loved her upbeat personality and attitude. We bonded in grief after the passing of her husband and my daughter and had many conversations about Heaven and our faith. I was glad to have our friendship at that time. I know she is full of joy after finally seeing her husband and Jesus. Many prayers for her family and Victoria who I know will miss her immensely.

“ Janet was such a bright light at OCH. You could see her eyes light up with pride whenever she spoke of Victoria and Josh. I loved hearing stories about her and her siblings, and the trips they would take together.

She was deeply passionate about her work and always took time out of her busy day to show you the right way to do things, making sure you were properly trained. Her patience and dedication truly stood out.

I am so saddened to hear of Janet's passing. My thoughts are with her family and friends during this difficult time. I hope you can take some comfort in knowing the impact she had on so many people and that she is now resting peacefully.

With sympathy,  
Katie

“ Janet and I worked together in the City's Housing and Neighborhood Services department. Our offices were around the corner from one another. Seeing her and her cheerful disposition was always a bright spot in my day. She was kind and patient with me as she taught me things I needed to know in my role. When my father passed she came and shared about her experience with grief and offered to talk with me about my father's life whenever I wanted to. She knew it would help in the process. I'm so very grateful for the life she lived and that I got to know her, even if only briefly. My condolences go out to all of her family and friends. May God give you all comfort in your grief.

“ I worked with Janet at the City of Charlotte for more than a decade, and she was more than just a coworker, she was a ray of sunshine. I have so many memories of laughing with her. She made coming to the office a joy, but she was also my friend outside of the office. She'd call me at home, and we'd about anything and everything before diving into work. She was funny, sweet, genuine, and lovely. She adored her family and talked about them all the time. My heart is broken for Victoria as well as Janet's siblings, nieces, and nephews. We love you, Janet, and we'll always miss you. I'm so honored to have been her friend. Sending the family lots of love and hugs. And I'm sharing one a photo of my favorite memories--the solar eclipse on August 21, 2017.

“ Mrs Janet amazed me as a 5th grader in Brian Farmer’s youth group and Wednesday night Bible study class. I am 53 now and I was 12 then. I ooded and awed every Sunday morning looking at her. To me she was like a princess with her grace just like her mother’s. She moved with nothing but elegance and it was not just on her outside..it was also in her heart.

There’s just something about those Davis women. My mother was organist for FBCS for a while and I remember sitting on the edge of her organ stool af the benediction and just watching them like they were angels on Earth. I m grew from a pre teen into a woman and interacted with them on a conversational and social level.? I knew then they were all literally angels on earth. 😊

The Davis children and grandchildren too will always be so fortunate, blessed and grateful to carry on their Mr. Davis and Mrs. Mary Anne Davis legacy as far as the family they raised and the kids were not taught, they learned by two of the best role models spewing integrity, kindness, compassion, faith and love from their beyond dignified hearts. I was fortunate enough to happen to be at the hair place when Mrs. Mary was getting her hair done.. She passed shortly afterwards and the moment I shared with Mrs. Mary was such a blessing to me that I made sure I had the opportunity to share this with her son, James. We were having our hair washed beside each other and the short conversation we shared will forever ring loudly in my mind and touched me deeply.

A true example of Janet and all the Davis girls. Praying for the family.

“ Janet was the best friend I ever had. I knew from the moment that I met her how special she was. She loved her husband and daughter without limits. Her family meant everything to her. She made me feel as if I was part of the family. Over this terrible disease, she never lost her courage or zest for life. A couple of weeks ago, she asked me to me a mother figure for Victoria. I told her that I would if she would let me. This is devastating for all of us who love her but we all know that she will be there to welcome us to heaven.
