“ My sincere condolences to the family and friends of Jared. I pray God's speed to you that you find peace in the chaos of your grieving. Jared was filled with kindness for everyone he came into contact with and never met a stranger. He will be greatly missed. As I think about all the times he's made me laugh my heart bleeds at the thought of not seeing him again. He has left us memories that can never be taken. Please reach out if I can do anything to help you through this process.
