“ *We have known the family for over 30 years and so sad for their loss. Jean was a jewel of a person and well thought of. Always enjoyed visiting with her as she was always gracious and loving. She will be missed. Prayers for the family as I know her two sons will especially miss her.*

Great family and she was special for sure will miss her smile and wit.

“ *Jean was a lovely lady and an amazing needleworker. She was one of my favorite customers when I had a shop downtown. After closing my business we continued to be friends as she attended my stitching group at Rowan County library. We would run into each other all the time at Harris Teeter and always stopped to chat and share a laugh. She adored her family and was very proud of the family Labrador. We had that in common as well. My husband Wayne and I send our deepest condolences to her family at this sad time. She will surely be missed.*
