Tribute Wall

“ Mark and Corinne, I am thinking about you and your family today as I read about Miss Jean as I called her. I remember the first time I met her as I went down the hall at AC to visit my mom. She showed me all her books and we talked about reading. She and I liked a lot of the same authors. I've been watching her decline for months with a heavy heart. She was certainly a joy to know and I'll miss seeing her. May she be at peace now as she joins her heavenly father. God Bless her, you and your family always.##imported-begin##Sylvia Hoffner##imported-end##
