“*Mrs. Yarbrough was one of the most kind and generous ladies I have ever had the privilege of knowing. She opened her heart and her home to all of my children at sometime or another allowing them to stay in her upstairs apartment until they got on thier feet. She loved all little children and one of my fondest memories of her is when my granddaughter Autumn would visit and would run to Mrs. Yarbrough, because there in her room she would always have snacks and surprises waiting. They would sit on the bed together laughing and eating cheese puffs. Sweet wonderful lady you will be forever loved and missed.*
