“ *Jeff otherwise known by us as ICEMAN, was always a fun guy. His friendship and being a work partner will always be a fun and fond memory. Jeff was a kind hearted sucker and taken advantage of more than once. But nothing made him more determined to be that kind soul that many of us got to know. Rest well my friend and know you were loved by many. Roll on in your afterlife with your birds and your friends. And know we all know you did it all your way. You will be missed. Thanks for believing in Bonnie. That she will return and thank you so much for the introduction 23 years and counting Love you!*
