“ Sharon:
Just a note to let you know that we are thinking of you and your family! I cannot imagine what you must feel like. I'll borrow from a friend who ministered to us at the lost of Joy's mom -- "I pray that you will have a good a day as possible in light of what you are facing." You know most say, "If there's anything we can do...". But the fact of is this - there is really nothing we can do to make the situation better. God is the only source who can heal those hurts. May His best be yours as you lean upon Him and may the family of God be His hands and heart to you and yours!
