“ I still remember playing on the Franklin Baptist Church semi-fast pitch softball team with Jimmie. The thing I remember most about him is when the empire would make a really bad call against us and the first thing he would always say is " We get the next jump ball". Lol

“ Michelle and family, I am truly so sorry for your loss. Jimmie loved you all and was so proud of each of you. I loved picking on him when he worked at Food Lion in Rockwell. He was always upbeat and kept me informed as to what you all were doing. I missed him when he left Rockwell. He was a wonderful person. My prayers abide with you all. I pray God will wrap his loving arms around you and grant you peace that only He can give in this time of sorrow.
