“ JoAnne brought so much laughter to so many people. Me and my family loved her so much and she loved us!!!!!! She was just like family!! A couple of weeks ago when my oldest sister Donna and I went to see her at Brian Center she told us of several recipes as she so often did !! She wanted to go to lunch with Donna and I but she didn't realize that she was not physically able to !!! I told her that she could get better and we could go out for lunch on her birthday!! She said she didn't want to wait until then! Well since God took her home before we could go we will just have to have lunch with her in heaven!!! She is already being missed and forever will be!!!
