“ John was my good friend when we were growing up. He took me to my senior prom when my boyfriend was away on a Navy cruise. We went to the same church and had lots of good times. He was two months older and with cut off dates he graduated a year ahead of me. So sorry for your loss. John was a great guy.

“ *"Big John",*
We knew one another for a long number of years. You were very accepting, generous, devoted to and understanding with my boys, Beau and Rob, in their young days & on..and then Lauren and Megan later, also. I was always grateful for that in each instance or circumstance -- not to mention nowadays a handful of grandchildren to miss you! All told, you'll be missed by many....So long,"Big"-
..God leave you peace and comfort. Uncle Jule
