“ Although I only had the pleasure of meeting Mr Deadmon one time in person; it made a lasting impression. It was due to that meeting he generously gave me a gift that I still possess.

We "met" several more times online when he had his web tv and I recall another lasting impression he made in the form of a quote, "My mind is like lightening, one brilliant flash and then it is gone." He was always good for a laugh or two.

My family's thoughts and prayers go out to all who are grieving, and may John be in the presence of Our Lord evermore. God Bless.##imported-begin##Vincent Abney##imported-end##
