“ *John was a kind and warm person that has touched my heart as a nurse and as a human.*

John was a caring soul and always made sure to show his care and love for others.

I had the pleasure to see him weekly for the past 4 years and will always cherish this time. His spirit lives with all the knew him.

You are absolutely correct Ana. I was his Aunt I loved him dearly his visit to our home in Virginia and many visits to Wilmington NC to see his Grandmother and I enjoyed those many visits as well. John will be missed. I hearts were broken with sadness but I have found peace knowing the healing John received as soon as he entered Heavens gates.

I am John's Aunt Adrana. I treasured each time to have with John. I live with his family several years, and we shared lot of fun times together. He was a very bright and loving person. I went to Church with John and he was so proud to introduce me to his friends there. John will be missed terribly by those who loved him but I know John wouldn't want to come back here now. Heaven is a beautiful place with no sickness or pain and I know if he could that is exactly what he would say. I love you Joh. I love you deeply Jean and Bob, Teresa & Tim, Tim, and Michael & Donna. Hold each other close and know John loved you too.

“ *My cousin John was also willing to share a joke or smile with you! I remember him coming to our house in Virginia on his motorcycle when I was probably 5 or 6 years old. We had so much fun that trip! I'm sure he and my Dad are up there having a good time now together in heaven! Keep waiting we will see you soon!*

“ Sorry to hear of John’s passing. He was one of the most dedicated volunteers at the Salisbury VA with our rehab service in building 42 when I worked there. Just a genuine nice guy to everyone. He certainly made our clinic a better place.
