“ I am so sorry to hear of John's passing. I have so many great memories that John was so much a part of. Some of my best memories involve John, our fishing trips and escapades, and family times we shared. The great times we had at Southern Marine, the Hornet games, the beach house and so many more. As our lives got more complicated and we all moved in other directions we didn't have much contact over the last few years. I still treasured our friendship though. I loved John as a brother. I send my deepest sympathies and prayers to Jane and Cathy. Lots of Love, Bobby Thompson
