“ *Uncle Paul always took the time to say "Hello". I don't think that he ever met a stranger. He was my favorite because I always felt better after I had a conversation with him. I for one am going to miss this man. Although he lived a good long life, I know that his family will miss his presence. I wish his family all the best as they deal with his loss.##imported-begin##John L. Brooks##imported-end##*
