“ *To the family: We will always remember Bro. John Henry as he came to church and always, always had a kind word for everyone. Always had a smile on his face and praise on his lips for how good the Lord had been to him. We appreciated his testimony when he stood to sing. He always gave God the glory for saving him and making him a new creature. He was humble and kind. We will truly miss him.*

*John Henry was a good and kind man. He has an awesome sense of humor and no matter what he was always the same. He didn't try to be someone he wasn't. He was a hard worker and a testimony of grace. When he stood to sing he would sing to the Lord not to impress anyone...he sang to bless. He taught my son to play the guitar and I will be eternally great full for that. My son will be able to use that to glorify God and bring to mind scripture thou he be dead yet speaketh..... I Loved the chipper man and he will be missed by all of Westside. No more sickness no pain and no more parting over there for forever he is with the Lord. Until I see you again, I glad you have a new body and you no longer need drs! To the rest of the family we are so sorry for your loss. You will be in our prayers. Keith and Laurie Redman and all our children and grandchildren who loved you too!*
