“ We have no words that can describe what you all must be going through, Remember that He makes no mistakes and may have needed him for himself. He is not suffering anymore he is standing upright no more back pain or pain of any kind and dancing and playing the guitar and rocking out and looking down at us saying look at me.

“ We are Ray's mother's sisters. To all of the family we are so sorry for the loss of Ray. We have precious memories to hold on to especially when we were children. Rachel and Neville would bring Ray and his sisters Susan and Lynn over to grandma and grandpa Walkers for a visit or a night stay. We remember all of the Holidays too and other times of getting together. Great memories! May God bless all of the family now and always and please know that God above will guide you through the days ahead because he leads the way...
