“ I never had the pleasure of meeting Mr. Widmann but i feel i have known him very well . I am a very good friend of his Daughter Joanne and she spoke of him many times . She told me about him from her being young until she was an adult . she loved him very much and couldn"t say enough about what a great father he was. he was always there for her and taught her values, what was right from and what was wrong .It worked and Joanne is a sweet and wonderful woman.Mr Widmann also raised three other daughters and raised them just as he raised Joanne. He has gone to the Lord now and will be missed by many and especially his family. With love Bill

“ Having lost my Dad at 12, John was the Dad I always wanted.

John always had my back, and taught me how to be a better husband and father. For me, he was the real deal and a legend, and will always be with me.
