“ I work at Bayada Nurses in Albemarle where Josh cared for our clients. Just wanted to let you know he was such a wonderful person and always had a smile on his face! He was giving me advice for my daughter when she graduated from high school. She was wanting to go to a military school and he was telling me what she needed to do. We loved his yellow sports car and would pick on him. He said the car was to pick up chicks. I will certainly miss his smiling face on Tuesdays when he would drop off his time sheets at the Albemarle office! My thoughts and prayers are with you all!###imported-begin###Denise Trotter###imported-end##

“ Josh was a very kind and compassionate young man. He touched many lives during his time with us at Bayada Nurses. He always made us smile and shared in laughter when he visited us in the office. We never know who God will choose to be his next Angel, but he got a special one with Josh. My sympathies and prayers are with you all during this time of sadness and loss. Josh will truly be missed.
