“ *My Dear Friend of more than 55 years ,we met while working at an office in Reading PA. Little did we know that was the beginning of a Life Long Friendship. My husband Wayne and her husband Dave also became friends. Each family was blessed with children, 2 for their family and 3 for our family.*

We led very different lives, however, we always stayed in touch. Life events went by and they moved to NC and I am now a widow 18 years. One of my daughters and her family moved to NC 10 years ago and when I visited my family I also visited my Dear Friend. Ironically 2 years ago I moved to NC. I do believe the thing that made our Friendship So Special was our Family Values. I will miss her Friendship, but She will always live in my heart along with the ones that ran ahead of me in my Family. pat
