“ Judith and I spent 4 years together not only as classmates but on our beloved Spencer High cheerleading squad but on the 1958-59 inaugural North Rowan High squad. I knew her as a dear friend. When we were elected to the squad our freshman year Judith, 4 feet 11 inches tall and me 5 feet 8 inches tall would lead our class at pep rallies. But she stood taller than me. Not only could she jump higher than me or anyone else but she always did the squad cartwheel perfectly and gracefully. She was a beautiful butterfly in body and spirit. We all adored her for her humility and her kindness. She was a very dear friend. My sincerest sympathies are extended to her family.
