“ I grew up in Dukeville with Larry and even though he didn't graduate with me in 1957 we always included him and Judy in our reunion get togethers. After Larry passed away I would run into Judy every now and then and always enjoyed talking with her. Was sad to learn of her passing.

“ Judy and I were in the same class at Henderson School in Salisbury from 1950 to 1958, and then we attended Boyden High School from 1958 to 1962. I will always remember her as such a nice person. I pray for you during this sad time.

Sincerely,

“ To Judy's family.
I have known Judy for many years. We graduated together at Boyden High School. She was a sweet, caring, loving friend. When we were having our lunch get togethers, it was always such a joy to visit with her. Many times after lunch we would see each other again at Marshall's or Wal Mart. I will miss seeing her. My prayers are with her family at this difficult time.

Long time friend,

“ Judy Carden was a really special person...she always saw only the good in people including her students. We taught together (even in the same room) for years and never once did she say a bad word about anybody. My heartfelt condolences go to her children and grandchildren...we are all going to miss her.
